Profile

With a background in international management (ESSCA School of Management, MBA from Université Laval), I founded Phoxia to put artificial intelligence to work for SME sales teams: automation, AI agents, strategy and team training. My approach comes from the field: B2B prospecting on three continents, consulting, retail sales and market analysis.

Professional experience

Founder and Managing Director

Phoxia, AI agency · Marseille, France

2024 to present

- Launched and run the agency: service offering, branding, phoxia.fr website, recruitment of a five-person international team.
- Three service lines: automation and AI agents, AI consulting and strategy, custom development.
- First engagements delivered: AI-assisted work-study job searches (France, Colombia, Spain) and in-house Claude training.

Entrepreneur, brand founder

Phoxy · Phothés · Phoxavels · Phoxloc

Alongside

- Phoxy: independent music label (production, artist development, distribution) covering house, techno, afro house, rap and Latin music.
- Phothés: clothing brand, conceived and designed from scratch.
- Phoxavels: travel agency, drawing on 17 countries lived in or visited across four continents.
- Phoxloc: 50 to 125 cc scooter and motorbike rental (Yamaha, Vespa, Piaggio) in Marseille, Aix, Cassis, La Ciotat and Avignon.

Business Development Agent

Université Laval Trade Missions · Groupe Shift mandate · Quebec City and Mexico City

2025 to 2026

- Sales representative for Groupe Shift, a Quebec software publisher whose IOM product serves the steel industry.
- Analysed the Mexican steel market and built a complete go-to-market action plan.
- Three-week prospecting mission in Mexico City (May 2026): targeting, meeting setting and on-site meetings with steel mills.
- Handover to the 2026 to 2027 cohort: a file of 114 qualified prospects and AI-automated prospecting sequences.

Consulting, data and insurance

AXA · DigDash · FEET

Before 2025

- Sold software solutions to large corporations in Morocco.
- Managed sales operations for a Singaporean start-up in the Paris region.
- Two-month assignment at AXA on records management.

Sales Consultant

Campus Consulting · Le Lab RH · Yoburo · Bolt

Before 2025

- Target qualification, outreach and new account opening for B2B clients.
- Vehicle sticker rollout and campaign data analysis for Bolt.

Retail sales, customer relations and inventory

Student Pop · Victoria's Secret · celio · Jack & Jones · Cleor

2017 to present

- Met in-store sales targets through product expertise and customer loyalty.
- Stock flow monitoring, inventories and shelf availability.
